REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: prior art could not be located that taught an optoelectronic semiconductor chip component comprising a two-pole SMY miniature housing in lead frame technique having pre-housing the lead frame pads with said miniature housing such that said right-angle leg portions of the lead frame pads forming solder terminals are positioned at two opposite sides of the housing and extend to and terminate at a bottom of the housing serving as a mounting surface for mounting the housing onto at least one of a printed circuit board and another mother board with the mounting surface on a top of the at least one of printed circuit board and mother board and ends of the solder terminals terminating at the top surface of the at least one of printing circuit board and mother board, and such that during the entire method no trimming and shaping the solder terminals is carried out so that no bending stress is exerted on the housing, and wherein said housing having a space recessed therein which serves as a reflector.

This limitation, in conjunction with the other claim limitations, was neither disclosed in, nor suggested by, the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
